Dedication of the Largest Roller Rink Organ in the United States . . .

Thursday, March 24, 1955 at 8:30 P.M.

. . . In the largest roller rink in the Pacific Northwest - OAKS PARK RINK - Portland 2, Oregon

You'll have fun at the Oaks Amusement Park and Roller Skating Rink. Continuous Organ Music . . . played exclusively for your skating pleasure by the West's most famous organists. The Oaks is open each afternoon and evening (seven days a week) and is the largest roller rink in the Northwest.

The huge new Wurlitzer Organ was installed as a gift to skaters . . . everywhere . . . from the management of Oaks Rink during their 50th Anniversary Year.

The Oaks new organ was just recently moved from the Broadway Theater, where it has been played by outstanding stage, screen and television artists. Henceforth, the beautiful music coming from the pipes of this mammoth organ will be "the best music in town"

The organ loft (on right), showing the largest organ in the United States, raised above the center of the huge rink floor.

The new Oaks Rink Organ has 1,242 pipes, 2,525 magnets, 4,700 pouches, and 500,000 feet of wire.

Buss McClelland . . . the featured organist at the Oaks Rink . . . is nationally known as an organist and recording star.

For your information . . . here is why our new organ is the largest rink organ in the United States . . .

This huge organ has 18 complete sets of pipes, namely: Dulciana, Vox Humana, Flute, Viol d'Orchestre, Clarinet, Viol Celeste, Horn Diapason, Tuba Horn, Diaphonic Diapason, String Celeste,

Saxophone, String, Kinura Orchestral Oboe, Tibia Clauso, Trumpet, Oboe Horn, and Quintadena. There are 175 tablets on the console with 45 piston buttons . . . for quick changes to pre-set tone combinations. The Bell Section is composed of Marimba, Harp, Xylophone, Glockenspiel, Orchestra Bells, Sleigh Bells, Chrysoyloft, and Cathedral Chimes. The Percussion Section is Snare Drum, Tambourine, Castanets, Chinese Block, Bass Drum, Kettle Drum, Tom Tom, Crash
